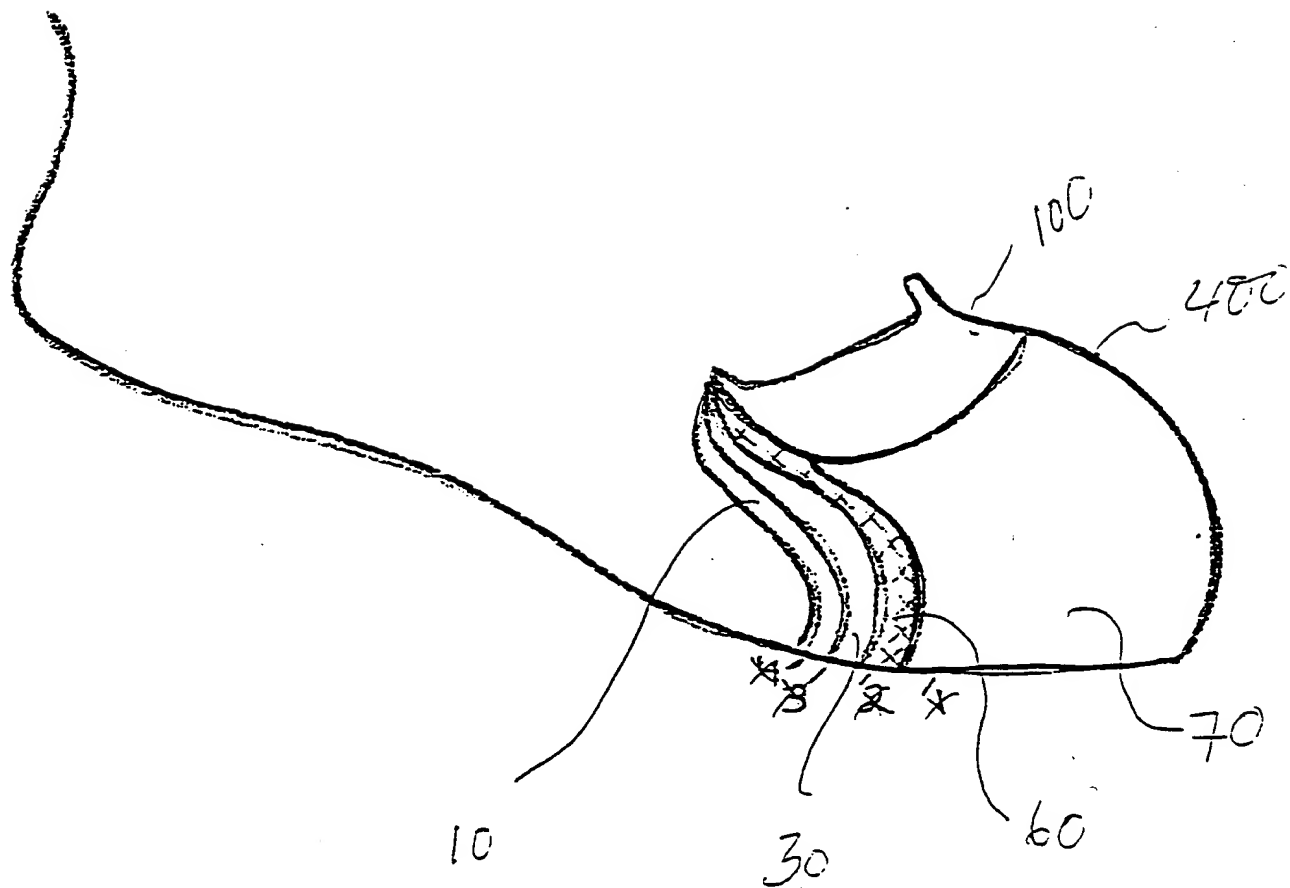

FIG. 11

A hand-drawn schematic diagram of a shoe sole assembly, showing a side cross-sectional view. The diagram includes the following labeled components:

- 610**: The main upper body of the sole assembly.
- 615**: A layer or component on the top surface of the sole.
- 620**: A layer or component on the side of the sole.
- 630**: A layer or component on the bottom surface of the sole.
- 635**: A small, curved component on the side of the sole.
- 640**: A curved component on the side of the sole.
- 645**: A curved component on the side of the sole.
- 650**: A curved component on the side of the sole.
- 655**: A small, curved component on the side of the sole.
- 660**: A large, textured component at the bottom of the sole.
- 670**: A curved component on the side of the sole.
